Fig. 2C

Fig. 2B is a perspective view of the device 140. It shows a rectangular body with a central opening and two side openings. The device is connected to a cable.

Fig. 2B is a perspective view of the elongated body 120. The elongated body 120 is a cylindrical component. It features a first opening 120b and a second opening 120c, which are located at opposite ends of the body. The label 120a points to the main body of the elongated body 120.
